

WAHC 20.9.2015 dogs David Evans

Thanks to the committee of the WAHC for inviting me to judge this very friendly show, it was a delight and a pleasure to examine so many beautiful afghans. Thank you to my very competent steward , Annette Latham Jackson for ensuring the smooth running of proceedings in the ring. Generally the dogs were well presented , though I was disappointed to find knots and mats in some of the exhibits. I was spoilt for choice in some of the classes, and some of them would change places on another day.. Front assemblies are still a concern, with upright shoulders and little or no return of upper arm, something the breeders of the future might want to take on board. On the day , I was so pleased with my line up, I felt it represented the best on the day and ex WAHC 20.9.2015 dogs David Evans

Veteran Dog (3)(0)1. Lancashire's. CH/AM CH GAZON

## WHAT YOU SEE IS WHAT YOU

GET imp...gold male, who had all the breed requirements.. His expression was arrogant , and totally male in outlook. I liked his lean masculine head, his length of kneck, which flowed into a good lay of shoulder, his return of upper arm, and the strength in his topline which he kept on the move and on the stand . Strode out well on the move, Well made throughout , and presented to perfection

2. Murphy's .BELAMBA FOOLS GOLD..Compact gold male, with good head and expression, well made, balanced quarters and moved well, didn't like his slope of topline on the stand.. More attention could be made to presentation, as he had knots in his coat.
