# Introducing your Judge

## James Kelly (Vansant)

James grew up with Afghan Hounds in the 1970's Scotland looking after a kennel of between 10-15 including their foundation stock from Sacheverell, 2 Borzoi and some Collies. I remember every single one of those dogs including Shah Rustam of Sacheverell and watched the great dogs of those days from the side-lines.

Over the years since then I have kept up my interest in the breed and followed them even if I couldn't own one or be owned by one. I've followed the diversity of the gene pool increase from Scandinavia, Australia, USA and Russia.

Finally, I was able to show my own dog, a Weimaraner, in 1997 who became a Show Champion and now I have been privileged to awards CCs in my breed and judge Gundogs and Afghan Hounds at Open Show level which I thoroughly enjoy and am determined to support. I try to steward at every Afghan Hound show I am able and attend or do online seminars at every opportunity; we are always learning.

I was delighted to be able to attend the Southern seminar and since a place came available did the A3 assessment which I passed; I was absolutely delighted and grateful for the opportunity. I am passionate about the Afghan Hound the King of Dogs.

## **DOGS IN VEHICLES ON HOT DAYS**

Your dog is vulnerable and **AT RISK** if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.

## **PHOTOGRAPHY AND VIDEO RECORDING**

The taking of photographs in the exhibition premises for sale or reward is strictly prohibited except with the written permission of the Organisers. The Organisers reserve the right at their absolute discretion to confiscate cameras and/or films for infringement of this condition. There is no objection to the general public taking photographs or video film of general views of the Show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded.

Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the Judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the Show if a permit has been issued by the Organisers. There are also certain restrictions on the use of cameras for still photography and private video films.
