WELCOME

It is good to be able to put in a report for our magazine in this 50th Year of the Club – we missed it last year! The past months have been particularly busy with many changes and we have tried to keep ahead of the game – researching various venues in terms of suitability, availability and cost so we hope you will all benefit from the new locations and dates.

Our February Show was a most enjoyable one, being just about a week before Crufts, the entry was fairly good and the weather just about held out. Times are tough for many financially so we really appreciate your support, entry here was 42 for our judge Sue Green who selected Mary & Chris Pascoe's Popov's Sazerac at Sarakhan JW (imp NLD) for BIS.

Our AGM was held straight after the show and we were pleased to be able to reflect back on a very good plus year for the Club; we also fondly remembered dear friends we had lost. We had one new member of the Committee, and there were no constitutional changes. The Club Stall was again situated at the afghan ringside of Crufts and alongside the Afghan Year Book distribution point making it a really good day for our team so thanks must go to them.

In April we held a really good Breed Appreciation Day with our guest speaker, Ken Sinclair; this was well attended and gave all present a great opportunity to ask him many questions. Also included was the Multi-Choice exam kindly co-ordinated by Susan Rhodes, with two Kennel Club required presentations in the afternoon provided by Debbie Stansbury. It was a really interesting day.

The Open Show at Bath reflected a similar entry to the February show, there were 44 this time, and all went well; our judge was Jackie Scott who chose Ross Gilbert's Ch Affietar Amazing Grace JW for BIS. Results of all the shows are on the Club website along with some lovely photos supplied by our newest recruit, Jo Smith. Building on that success, the Club is going to take a leap forward and hold its Championship Show next year alongside Bath so put the date of 26th May firmly in your diary – there will be two chances of winning a CC on that day. Our judges are listed in this magazine and we look forward to a fabulous day there. Please keep watching the website www.wahc.co.uk and FaceBook page for all the details.

Looking at our open shows, we have opted to go back to back with these two for 2019 at a new venue which we hope you will appreciate – it is near Gloucester and is fabulous. We have two knowledgeable and experienced judges who should really draw good entries for us, also anyone wanting to stay on site at the venue will be able to take advantage of the camping facilities if they wish to. Date for these two shows will be 6th October.

The 2018 Members' Points Trophy winners are featured in this edition of the magazine and are also posted on the Club website. It pays to be a member of the Club, it really gives all of you great opportunities and good media coverage so don't forget your renewals please.

We hope that those of you who have something to say or contribute, come along to our next AGM, details of which will be posted nearer the date but in the meantime thank you for your support and hope you enjoy all the benefits of being a member of the Western Club, including this fabulous magazine.

NEW OPEN SHOW VENUE FOR 2019

Forest Oak Farm, Lydney, Gloucestershire

As you will have already read, we are trying a brand new venue for our two Open Shows next year; Forest Oak Farm, near Lydney in Gloucestershire, is a dog centred, family run estate specialising in canine training, holidays and activities in a great location. It is set out over twenty acres of fields, lakes and woodland with many mature trees; the Farm is a spacious, welcoming haven for dog friendly holidays and events, and there are camping pitches available for your motorhome or caravan if you wish, plus three holiday cottages – the Barn is fully equipped and comes carpeted so no slippery floors and there is loads of space so big rings and plenty of space for your cages. It is centrally heated, has a good kitchen and good toilet facilities – once you have been there your comments would be appreciated. **Get that date in your diary – 6th October 2019**

Potted History

The Club was founded in June 1968 by a group of enthusiasts, who eventually arranged to hold a Club Limited and Open Show. Its 25 founder members formed the organisation of the Club and the application was sponsored by Mrs Charles Harrison (Vishnu) and Mr Albert Munroe from the Southern Afghan Club. The original application had three possible names but the first choice was approved by the Kennel Club and it was to become known as the Western Afghan Hound Club.

The first President was the late Mrs Wyn Leest (Chitral), the first Secretary was Mrs Linda Hammerberg and the first Treasurer, Mr Vincent Gwilym. The original committee comprised 15 members.

Present day officers and committee are:

Patron Valerie West

President Clari Cross

Chairman David Evans

Secretary Jill Cross

Treasurer Bronwyn Lawson-Ball

And a smaller committee of just six who are:

Alan Buttle, Francis Hearne, Annette Latham-Jackson,
Jo Smith, Neil Straw, Tammie Wardell

The Club held a very successful Breed Appreciation Day Seminar where an excellent presentation on the breed was given by Ken Sinclair (Araki).

We were very fortunate to have such a well-known and experienced person for this. He has had multiple Champions in afghan hounds and of course won BIS at Crufts with Ch Araki Fabulous Willy, the Tibetan Terrier – what better pedigree than that! Ken was on great form and his interaction with those present was so good and it formed a very happy atmosphere as well as providing some really interesting views.

A hands on session took place after the talk and we managed to get some movement of the dogs outside for the candidates to see. We thank all of those who brought their lovely dogs of which were two Champions and two CC winners, plus a couple of younger ones. The Club put on a super lunch for everyone and it was a really friendly atmosphere with likeminded folk from various Breeds all sharing their experiences.

The multi-choice assessment was taken by 12 candidates – there were 10 perfect scores and just 2 to await another opportunity next year. After Lunch the club had organized Debbie Stansbury to present the Kennel Club's Seminar on stewarding followed by Points of the Dog

Assessment for those opting to do so, all were successful.

Candidates who passed the multi-choice assessment were: Carolyn Scott, Robert Wignall, Lorna Dunstan, Vikki Cannon, Gill Grist, Christine Mayers, Lisa Tyler-Jackson, Annette Latham-Jackson, Joanna Boughton-White, Richard Morris.

CHAIRMAN'S REPORT

It is my greatest pleasure to be the Chairman in our Golden Anniversary Year. The club has remained consistent and true to the ideals of the Afghan Hound, and has been at the forefront of change.

The hard working Committees over its 50 year history, have all endeavoured to bring you a welcoming and joyous club. The present day Committee have surpassed all expectations with their drive and forward thinking to ensure the longevity and success of the Western Afghan Hound Club. We have had two very successful Open shows in conjunction with Bath Championship Show, and their welcome and support has been unbelievable. We now move forward into 2019, breaking new ground, and will hold our Championship Show in conjunction with Bath Ch. Show, being the first Afghan Hound Club to take this step forward. Judging for both shows will run more or less concurrently, with opposite sexes being in the rings simultaneously. In this changing show scene, the WAHC Committee have stepped up to the challenges facing us all. The Committee and I very much hope that you will support us in this venture which will undoubtedly secure our future.

The Club took part in the pilot scheme of the Judges Framework and organised a very successful seminar, under the captaincy of Mrs Susan Rhodes, who has been so generous with her time to guide everyone through this maze. At the end of this very wonderful day, we were delighted to receive excellent feedback and compliments for the overall organisation and content that was on offer.

Welcome to our Championship Show, I hope you have a pleasant and joyous day today, and thank you for your continued support, you are amazing.

2018 Championship Show Judges

Mike Lancashire together with his wife, Avril, formed the Drishaun Kennel in 1984 and since that time they have had much success with dogs either in ownership or bred by them under this affix, culminating in many Champions from the original foundation dogs, notably Ch Moonswift Moonglade.

During the late '90's the kennel made history by becoming the first in the UK to produce a litter from artificial insemination using frozen semen from the USA. Three from that litter

ultimately became Champions – Ch Drishaun That'll Do Icely – Ch Drishaun Icely Does It – Ch Drishaun Ice If You C'n Get It.

Eight years ago Drishaun imported a brother and sister duo from the Gazon kennel in the USA, both of these became Champions, and offspring are currently being shown from a litter born from Ch Gazon It Ain't About You Drishaun and sired by Ch Shimalma Colour of Magic.

Mike has judged the breed 11 times at CC level in the UK, the last appointment being the bitch classes at Crufts in 2012. He has also judged the breed in America, South Africa and Germany.

He is Vice-Chairman of the Afghan Hound Breed Council, and Vice-Chairman of the Yorkshire Afghan Hound Society.

I began my association with Afghan Hounds in 1962 and registered my IZMAR prefix with the Kennel Club during the early sixties.

My first Champion was a red Carloway/Horningsea bitch, Ch. Miyasht Empress, a truly beautiful bitch. The union between her and Father Ford and Helen Barnes' Ch. Hajuba of Davlen produced my first home bred Champion, and then put to Ch. Alyshan Hassan Shabbah she produced my second. Many successful litters followed with these lines.

In 1986, John Watson, Andrew Brace and myself imported Ch. Mandrills Myltha Izmar Tragband from Finland, a bitch in whelp to Int. Ch. Choice Be A Pepper. Myltha went on to gain her English title and was a Group winner. The quarantine litter produced one of the top stud dogs at that time, winning Top Afghan Hound Stud Dog and Top Hound Stud Dog – Ch. Izmar Tragband Finnegan – the sire of many Champions and top winning Afghan Hounds.

I also owned his sister, Ch. Izmar Finishing School in partnership with Sarah Jackson, and we thought it would be ideal to import Boxadan Give Me a Break at Benatone as his lines would marry well with those of Finnegan's offspring, which proved to be the case. Give Me a Break soon gained his English title.

John Watson and I then purchased a bitch from Ireland, Tejas Coquistador (Riot) – together with Finnegan she produced Champions of a lovely type. Later co-owned by me and shown and co-owned by Mike Gadsby she went on to be a Multi CC, Group and Crufts' Best in Show winning bitch.

I have judged the breed at CC level on twenty one occasions in the UK, including Crufts in 1988, and in Finland, Germany, Canada and Australia.

I consider it a privilege to judge the prestigious Western AHC and hope to see you there.

TREASURER'S REPORT

We are happy to be able to confirm a good surplus for the past year; if you were unable to attend the AGM all financial accounts are always available upon request to paid-up Members.

Our thanks to the skills of Ellen Hopper for kindly auditing our Annual Accounts in good time, and at no cost to the Club for which we are grateful. As well as the three shows we have, the Club Stall gave us a very high profile and good income for the Club at Crufts; we were pleased to be able to display and sell lots of new stock. Items can also be purchased via PayPal and posted so please enquire if you need anything in particular. We ran a very good Breed Appreciation Day during April, this was enjoyed by all and we managed to retain a small surplus financially speaking. For the coming year there are various changes to our normal calendar, plus new venue opportunities which we hope you will all enjoy and appreciate so please remember to renew your memberships to ensure you get all the details in good time or why not contact me to complete our Direct Debit annual membership form.

It was an honour to be asked to write about my dogs for the Western Afghan Hound club's 50th anniversary show, particularly as this has always been one of my favourite shows.

Tianze

*G*osh where to start, my memory not being as good as it used to be, although I never forget any of the lovely dogs I have owned, it's the order of events that may be a little shady.

My love for the Afghan Hound started after seeing a puppy while on holiday in USA in 1974, after a 6 week holiday my most memorable and most talked about moment was this wonderful intriguing dog I had seen and wanted.

That same year in November I was given the best Christmas present any one could have asked for, but little did my parents know how much of a lasting impact they had made on my life.

Bronze "Cassanorr Shebaniah" was the love of my life (until Brian) and with the help of some lovely people, Joyce Fagg and Barbra Londos who became my early mentors, Bronze my first show dog had a successful show career until a freak accident at 19 months when he broke his leg.

Brian and I married in 1978 We had two lovely daughters, along with 2 pretty Afghan bitches Tia and Chamey

The Gentle Touch of Tianze "Abby" was purchased from Steve Moon in 1982 and became my foundation bitch, she was by Ch Balkasha Barabbas and Khonistan Khikidi of Tashmahn. Her first litter was sired by Ch Barnesmore Imperial Wizard and produced my first home bred Champion "Oliver" Ch Tianze Kalvados. Abby's second litter was sired by Ch Shullimar Rainbow Warrior and from this I kept "Lizzy" Tianze Total Eclipse and "Merlin" Tianze Skys The Limit. Lizzy produced a litter by Khinjan Ko Ko (Oliver's son) and a

"Delbert" Aus & Eng Ch Harlextan Mad Mullah

daughter from this litter "Wispa" Tianze Night Shade, came with us to Australia and later gained her Aus Ch title.

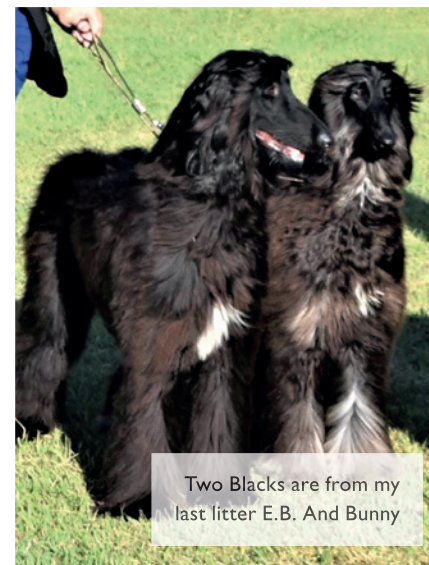

I purchased Omayyak Taboo "Ziggy" from Jim Lacey. She was mated to Oliver producing my second home bred Ch "Ruth" Ch Tianze Bewitched.

"Delbert" Harlextan Mad Mullah, joined us about 6 months after Ruth was born, he was purchased to compliment my breeding program as a nice outcross.

Delbert had a phenomenal show and stud career in England and gained his English title with ease and went on to become my first Australian Champion at 9 years young, winning several groups on the way. He retired after winning

best veteran in show at the prestigious Queensland Hound Show 20th July 1997 Engh Espen (Norway). Thanks to Graham and Christine Parsell we collected semen from Delbert that year and 20 years later there was to be another Delbert litter.

Ziggy had a second litter this time by Delbert, producing a singleton pup, "Joannie" Tianze Lonely Girl, who was the dam of my first Australian litter, sired by Oliver. Probably not the most successful litter, the boy I kept didn't really like showing and was way, way too English for over here at that time. He retired and spent a lovely life as Daphne Gie's companion, Tianze The Amber Nectar aka Foster.

Two Blacks are from my last litter E.B. And Bunny

More success was to come from my next Australian litter, Delbert to Olivia in 1998 Two puppies were kept from this litter, "Fletcher" Aus Ch Tianze Wild Orchid and "Chelsie" Aus Ch Tianze English Rose, both doing fairly well and gained their titles. Chelsie was mated but we were devastated to lose her in whelp with a brain aneurysm.

Olivia produced 2 more lovely litters, one to my Ch Calahorra Anthem which produced 3 pups. I kept a brindle boy Ch Tianze Dare to Dream "Sydney". The 3rd litter to a very handsome Aussy dog, "Beau" Ch Keywest in Like Flynn and I kept a boy and named him "James" Ch Tianze Heza Kinda Magic.

2002, an addition to the kennel was our much loved brindle girl "Charlie" BIS, SBIS Grand Ch Karakush U Giv Me Reason, She was an absolute show pony and won multiple BIS and groups awards.

Struggling to find the right dog to compliment my bitches, my interest in the breed was fading. Until I set eyes on a stunning male dog who came down to Queensland for some shows. This was Joss Aus Grand Ch Lakshmis High Command (imp Den) We eventually had puppies with "Molly" Ch Tianze The Power of One, (Molly was the only puppy from Khinjan Ko Ko and Joannie). This litter was the start of big things to come, "Jade" Ch Tianze Power of Illusion and "Magik" my heart dog, Grand Ch Tianze Power of Magik. Multi Best in Show, Specialty Best in Show and multi Group winner. Just coming in to his prime winning Best in Show at the Qld Afghan Specialty under Chris Amoo and a couple of months later Runner up Best in Show at Canberra Afghan

Jacob and Zam

Supreme Ch Tianze Shazzam

and "Jacob" BIS. Supreme Ch Field Ch Tianze Mystify Me. Jacob, Edward and Victoria are owned by me and Zam was very successfully shown in North Queensland but had to come home as his owner could no longer show him. He was so close to his Supreme title, it would have been

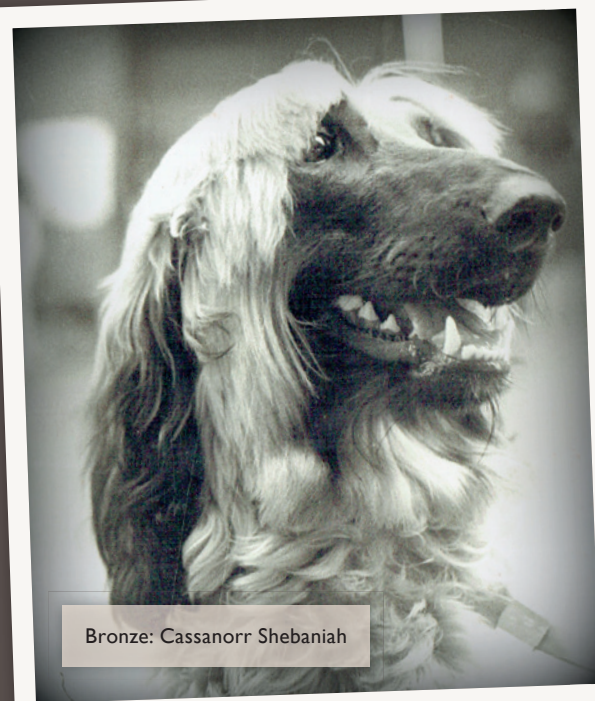

Specialty from Glenda Adams. This dog was to break my heart; losing him at the tender age of 6 to a paralysis tick and an incompetent vet. I don't think I will ever get over his loss.

Fortunately, his legacy goes on, Magik sired two litters about 6 months before he died, the first to "Sophie" Aus Ch Quidam Cirque of Jhanzi (Imp NZ), from this litter of 13 there were 8 Champions all of them Group winners. Ch Tianze Morgan Le Fae, a Specialty Best in Show winner, Ch Tianze Bewitch Me, Ch Tianze Copper Field, Ch Tianze Hi Jinx, "Victoria" Ch Tianze Mystical Mayhem, "Edward" CH Tianze Wicked Wizard, "Zam" BIS, Supreme Ch Tianze Shazzam,

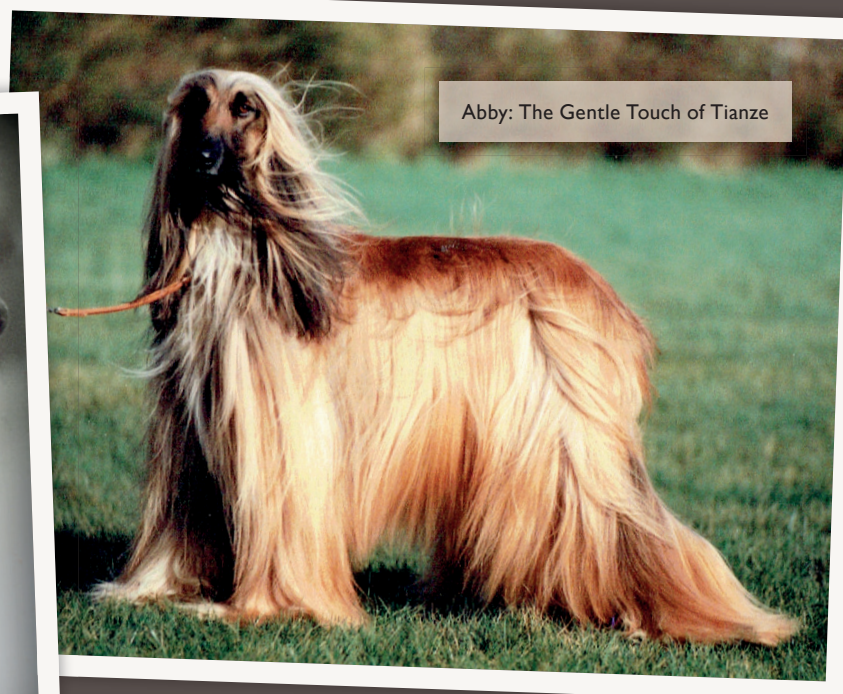

a shame not to have achieved it, in a very short time with me, Zam gained the couple of hundred points and 3 groups he needed to become a Supreme Ch.

To become an Australian Champion the dog has obtain 100 points. A Grand Ch 1000 points and for a Supreme Ch 1000 points and 10 Groups from 10 different Judges. Rules for Supreme Champion didn't come into place until 2012 Unfortunately neither Magik nor Charlie were eligible to be awarded the title as all their multiple groups and BIS wins were before this qualifying date.

Jacob has a very busy social life, probably my biggest winning dog, a Supreme Ch 3 times over with 40 odd

groups, Multi Best in Shows and Runner up in Shows. He was the first ever Sight Hound in Australia to gain a Field Ch in Lure Coursing, under FCI regulations. He has been a cat walk model for a big hair product company and most recently has been starring in a Netflix comedy movie due to be released this year. Fingers crossed that later this year he will also sire his first litter.

Delbert and Jade's daughter, Delta, produced a lovely litter to Karakush Jose Cuervo. Again, this litter did extremely well with 5 Champions. My two keepers, "Madison" Ch Tianze Shadow of the Past and "Wow" BIS Supreme Ch Tianze Lady of Rohan, the first Afghan to gain a Supreme title in Aust. Wow was and still is the most beautiful bitch, outstanding movement which gave me goose bumps to watch. Sadly, I decided never to breed on with either of the girls, after losing their father with a progressive and hereditary tumour. They turn 10 in July this year.

Magik's second litter was a litter we planned with Charlie, but had significant problems achieving. I had attempted to mate Charlie on about 6 different occasions with no results. Many tests were run and eventually my vet said "give up, she's barren". But Charlie had different ideas, the love of her life was Magik and she wanted him, so at 8 years old, she helped herself, I didn't think

much of it, but as the weeks went by I started to think? Well is she. Yes, she was! 9 puppies and only a week apart from Sophie. Two litters together gave me 22 pups, Heaven and Hell, fun and chaos at the same time LOL. not something I would recommend, but I did love every minute.

From Charlie, we had "Pickle" Ch Tianze A Little Bit Magik very different to anything I have owned, only just reaching the standard as she was a very sickly puppy and I thought I would lose her on several occasions. I hadn't intended to show her but she would be staying as she was so special. A lovely young lady, Cath Horne fell in love with her and although I would never sell Pickle, Cath co owned her and campaigned her to her title with some

nice wins including a Specialty bitch CC with Runner up in Show under Jeff Bunney. 2 other dogs from this litter were successfully shown and titled.

December 2014, the one remaining straw from Delbert, was used on Victoria. A very exciting time having Delbert children with 18 year old semen. Producing 9 beautiful babies. A special lady in the UK had been waiting 3 years for a little gold girl and although I would dearly have loved to keep her a promise is a promise so Tianze Melt my Heart to Normarand, with her two sisters made the long journey to England. Marj Barber named her "Sydney", Mary and Chris Pascoe call their girl "Crystal" Tianze Ice Crystal at Sarakhan and "Queenie" Tianze Ice Queen with her mum Chris Bagshaw. It was lovely to catch up with two of them this year and looking forward to what the future brings for them. My own girl "Elsa" Ch Tianze Frozen in Time was titled at the tender age of 1 year 2 weeks and Bear's boy "Drum" Ch Tianze Ice Breaker gained his title with ease.

Bringing you up to date Easter Monday 2017 the second litter from Victoria was born to the stunning all black boy Supreme Ch Aviva Akira. 4 all black babies 2 girls, 2 boys, all in show homes and all have points towards their titles "EB" Tianze No Doubt About It, "Bunny" Tianze Started with A Kiss, "Jessica"

Tianze I Believe in Miracles, and "Louie" Tianze Black as The Night

I have bred and owned 19 Aust Champions, four achieving the title of Grand Champion and 3 gaining their Supreme title, and 2 English Champions Owned and Titled 6 from other Kennels. UK and Aus Ch Harlextan Mad Mullah (Imp UK). Grand Ch Karakush U Giv Me Reason. Ch Calahorra Anthem. Aus & NZ Ch Vizier Hafiz of Jhanzi (Imp NZ). Ch Quidam Cirque Of Jhanzi (Imp NZ).

My latest little girl "Ava" Ch Calahorra Ava Gardner, she has just turned 2 years old and over ¼ of the way to her Grand title, recently winning a nice bitch Challenge at the Queensland Afghan Hound Specialty. She is a great granddaughter of Magik and Edward's Grand Daughter.

I have also owned and titled an Irish Water Spaniel, Ch Craythorn Rambling Rose.

A Lhasa Apso, now 14 and the top winning bitch in Qld. for 3 years, the first Lhasa to gain her Supreme title. Supreme Ch Myikiyi Simplee Betta. 2 Grand Basset Griffon Vendeen's, Supreme Champion Rickaby Bound for Glory CA and Ch Rickaby Dear to Dream, I am currently waiting for a mating between these two.

I hope you have enjoyed reading my story.

All the best wishes to the Western Afghan on this special day. I wish I could be there to join in the celebrations. Good luck and love from me.

JACKY HARNETT

Conducted in 2017, number of Completed Returns received were 68, and the average age of those returning their questionnaire was 60 ish

QUESTION	ANSWER
How many afghans do you currently own?	80% own 2
How many have you owned in total?	Highest number was 40+
How many litters have you bred?	Average number was 2, although some did not complete this question
How many years have you been showing?	Longest was 44 years, average was 30 years, lowest was 4 years
What is your favourite coat colour?	Surprisingly, Red closely followed by Golden, Black/Tan, Brindle & just one vote for Blue
Do you own any other breed?	Whippets seemed to come out on top here with a general assortment of other breeds
Do you own cats?	Only 2 owned cats!
Favourite all time afghan?	Ch Viscount Grant just came out on top followed by Ch Koolaba Horningsea Eboni Earl, then several single nominations
Breeder you most admire?	A tie between Anna Paton & Roberta Hall
Favourite show?	Southern Afghan Xmas Show, closely followed by the Houndshow
Favourite showground?	Windsor was a clear winner, then an average split between Malvern, Stoneleigh, Stafford and Bath
Main factor you consider when entering a show?	Overwhelmingly it is the Judge 99%
How do you think the breed has improved over the years?	Temperament, otherwise hardly at all
Are there any things that have not improved over the past 20 years?	Interesting answers here with the majority selecting movement, followed by high tail sets and many concerned over loss of breed type
What is your most treasured memory of your afghans?	So many varied answers, one nice one was "having our first litter together" and bizarrely "painting our lounge wall"— the mind boggles!
What is your most embarrassing moment with your afghans?	Again, many varied answers but most revolve around falling over!!
Do you have any concerns about afghans and showing in the future?	Not enough new enthusiasts; Kennel Club interference, too many Clubs, and Judges

DOVER EXPRESS, 18th September 1891
THE LATE MR JAMRACH
“With the death of Mr Charles Jamrach, a notable character has disappeared (says a writer in the Standard). He was a London merchant, and the commodities in which he dealt were wild beasts. Here a tiger might be purchased with no more words than need be expended over the sale of a horse, and an elephant bought as readily as a pair of pigeons in the Seven Dials.....
A MEETING PLACE FOR ALL SORTS AND CONDITIONS OF MEN
Mr Jamrach’s establishment was, no doubt, one of the sights of London. But after seeing his beasts and birds, his creeping things and his crawling things, and after listening to his professional talk, the visitor left in doubt whether there was any curiosity in his place to equal Mr Jamrach himself. Certainly to those who like to study their species, the men who came to sell and the customers who came to buy were quite as entertaining as the articles in which they dealt.
..... As a speciality the great wild-beast dealer – and in England, at least, Mr Cross, of Liverpool, was his only rival – laid himself out for such comparatively harmless stock as long-coated Persian greyhounds [Afghan Hounds most probably], Japanese pugs, and Madagascar cats, and for the more professional section of his customers there was also a good “line” in lions and tigers, dwarf cattle from Burma, and boa-constrictors from South America.”

SHIELDS DAILY NEWS, 10th November 1892
NOTES FROM THE FIELD – AN AFRICAN GREYHOUND
“When in India I saw imported Arab greyhounds. They were small, tan-coloured, and had curious tufts in their ears. I also saw some Persian greyhounds, belonging to Mr Stannard, of Kirkee. They were very large dogs, with very little hair, and very fierce. Mr Stannard had also an Afghan greyhound, called Bill. He was yellow, and said to be a wonderfully good sporting dog. I think these dogs were all much larger than English greyhounds. – Ethelbred Dillon.”

NOTTINGHAM EVENING POST, 9th February 1893
METROPOLITAN NOTES [FROM LONDON CORRESPONDENTS]
“There were nearly 3,000 entries for the great Dog Show which was opened today at the Agricultural Hall, and generally speaking, the quality was very good. The Queen [Victoria] sent six dogs – a collie, a Skye terrier, and four Pomeranians. The Prince of Wales [future Edward VII] and his well-known team of rough-coated Basset Hounds, and the Princess of Wales [future Queen Alexandra], whose affection for dogs is well known, contributed a St. Bernard, an Afghan dog of unknown variety and breeding, and a smooth-coated Basset Hound.”

SPORTING LIFE, 8th May 1895
SHOW OF PET AND FOREIGN DOGS AT THE AQUARIUM
“In the class for any other foreign variety, Gazelle, an imported Afghan hound of light fawn colour, scored the award.”

LONDON EVENING STANDARD, 9th May 1895
PET DOGS AT THE AQUARIUM
“The annual exhibition of pet and foreign dogs under the auspices of the Toy Spaniel, Pug Dog, Schipperke, Pomeranian and Poodle Clubs, was opened at the Aquarium on Tuesday, and will continue open during to-day. All the best-known exhibitors are represented. The exhibits number some 550 dogs (the entries being nearly 1000), so that the Show is on a larger scale than that of last year A unique canine curiosity is “The Squids”, a dog distinguished by an artificial leg, the limb having been lost as the result of an accident Some very fine specimens of foreign dogs are included, ranging from creatures no bigger than a rat to Esquimaux dogs and Afghan hounds.”

GLOBE, 10th December 1895
FOREIGN DOGS AT THE AQUARIUM
“Another animal well worth seeing is the graceful Afghan Barukhzy hound which seems like a mixture of the Borzois, the greyhound, and the water spaniel. It has long silky hair covering it’s legs trouser fashion.”

LONDON STANDARD, 11th December 1895
FOREIGN DOGS AT THE AQUARIUM
“An interesting Show of Chow Chows, Schipperkes, and other varieties of foreign dogs has been arranged at the Royal Aquarium by Clubs especially interested in these breeds
Other breeds on view are, and the Barukhzy hound, employed in hunting the gazelle. Mr J Whitbread’s Shazada, which belongs to this last class, is a beautiful animal with long silken hair, and a face that reminds one of pictures by Sir Edward Landseer.”

PALL MALL GAZETTE, 11th December 1895
GARGOYLE DOGS AT THE AQUARIUM, SOME GROTESQUE EXHIBITS
“; and there is a thing called an Afghan Barukhzy hound, a long-legged, gaunt ghost from the bare hills that moans like a lost soul, and has the appearance of wearing tights all over its body, except on its hind legs, where it has a thick even coat of straight hair; which gives it the look of having been endowed with trousers according to the requirements of the licensing committee of the late County Council.”

MORNING POST (London), 12th December 1895
FOREIGN DOGS AT THE AQUARIUM
[A joint show of various breed clubs with a class for “miscellaneous foreign varieties entered.”]
“An Afghan hound with Borzoi-like head and legs clothed to the toes with long silky hair aroused much interest”.

PALL MALL GAZETTE, 9th April 1896
INDIAN NOTES
“A new cure for hydrophobia has been discovered by the Boundary Commission under Captain MacMahon, which is now delineating the frontiers of Baluchistan and Afghanistan. The only danger encountered by the mission so far has been the raiding of the camp by rabid Afghan hounds, creatures in appearance as well as character half way between the wolf and the greyhound. When they are mad, however, they are all wolf; and several of the native troopers of the escort have been badly bitten. According to the natives, rabies and hydrophobia are very common in that frontier region, and the only certain cure for the latter is worship, with certain special observances; in the shrine of Said-Yahya, after which the patient must eat a mouthful of earth from the sacred spot.”

CHESHIRE OBSERVER, 15th August 1896
SIR JAMES BROWNE AND HIS DOUBLE
“ I went out walking one afternoon with the late Colonel Fellowes of the 32nd Pioneers (writes Sir James Browne). Just outside the Quetta Fort we saw a man in Afghan costume, and sitting on the ground, who at once attracted our attention. He wore a white sleeveless Bedford-cord waistcoat, and a very worn pair of Afghan-made shoes, and a big Persian greyhound [Afghan Hound probably] was lying by him. Round his neck, and in a curiously-stamped red-leather case, was hung a large book, presumably the Koran; but his brown beard and blue eyes, and the indescribable difference of bearing which distinguishes a European from an Asiatic, at once made me say to Colonel Fellowes, “That man looks uncommonly like a European [they thought he might be a Russian spy], and he does not sit on his heels as a native would.” Colonel Fellowes replied “Not only does he look like a European, but he is the very image of you – so much so, that if you were dressed like him it would be impossible to distinguish you.” He said he was a Kirghiz, and was going to Mecca on pilgrimage, having just come from Kandahar.” [Maybe the dog was for security and/or company?]

LONDON DAILY NEWS, 20th October 1897
DOGS AT THE CRYSTAL PALACE
“The Kennel Club’s forty-second exhibition of sporting and other dogs ... Next to these [Samoyeds], to the general public, interest perhaps centred in the fine collection of foreign dogs, among these being specimens of the Esquimaux, the Norwegian Elkhound, the Dogue de Bordeaux, the Dingo, and last but not least in point of attractiveness, the Afghan Barukhzy hound.”

YORKSHIRE POST & LEEDS INTELLIGENCER, 3rd May 1899
[Pet Dog Show at the Westminster Aquarium]
“The foreign dogs included several Esquimaux dogs, a wild Australian dingo, an Afghan hound, and a Pyrenean wolf hound. But they were not in much strength, and the bulk of them were more curious than beautiful.”

IN MEMORIAM

23

We wanted to dedicate some of this magazine to the memory of Jan Fielder who so sadly passed away on 25th June 2017; Jan was the instigator of this Club magazine's revival and has been designing the content since 1990. Her attention to detail and knowledge was second to none and we are indebted to her for loaning us her expertise for so many years.

A friend to us all

Jan was a real friend, she was quiet and unassuming with a great sense of humour, a dry wit and did not suffer fools gladly. She was genuine, kind and sincere and didn't deserve to have her life cut so short. She always was so full of her plans to live out in the country and loved the peace and calmness she found in places like Scotland and the Lake District. Our hearts go out to her family – her husband, Tim, and sons Jed and Kit.

We have known Jan for around 30 years when first she started showing her afghans in the mid 80's, her dedication in the production of the superb world-wide

acclaimed Afghan Hound Year Book over the past two decades is unprecedented using her graphic design skills to maximum effect. Her contribution to the show scene in this regard will never be equalled. Jan judged the breed at CC level on two occasions and was due to judge again in 2018.

Jan was never one to grab the spotlight onto herself but it shone on her in more recent times with her homebred dogs shown under the Garamond affix, they were at the top of many a class, winning multiple CC's, multiple Group placings and Group 1 at SWKA in 2015, Top Dog & Top Breeder in 2015, Top Brood Bitch

in 2016 and breeder of the Top winning bitch in 2015. This hugely successful but small kennel achieved so much in a short time, culminating in BOB with Ch Garamond Sunberry at Crufts during 2017. 'Sunni' followed on with this at Border Union Championship Show when he won his eighth CC & BOB; his first offspring are now being shown in the ring by their lucky owners. Jan will never be forgotten, she was truly a genuine and sincere person whom we were lucky to have in our midst.

Our judges 2019

Championship Show 2019

More exciting changes to our 2019 calendar; our Championship Show will be held at Three Shires Field, Bath within the Bath C.S. General Championship Show – our judges are:

DOGS

Stan Szycewski (Weetoneon)

Stan has shown Afghan Hounds, notably Ch Karnak Shamrock and Hungarian Pulis successfully under the Weetoneon affix for many years here in the UK and abroad; currently breeder of the Puli Breed Record holder.

BITCHES

Janine Thompson (Gothika)

My first Afghan Hound arrived in 1974, and marked the start of a lifelong interest in both the breed and showing. From then to now, my love of the Afghan Hound has continued to grow, and so it gives me great pleasure to

be able to judge the breed again at CC level. I am delighted to be judging at the WAHC, as it marks a return to the club where I judged dogs in 2010 at the January Open Show.

BIS & STAKES CLASS

Sandra Miles (Sana)

Sandra bought her first afghan Khanabad Fawzia from Margaret Niblock and subsequently became the owner of Ch Tuttlebees Moon Star & Ch Tuttlebees Stargazer; she bred from Moon Star under her Sana affix and produced Ch Sana's Star Personality and Sana's Moon Jade who won Bitch CC at Crufts in 1986. Sandra first awarded CC's in 1984 and has done so on many occasions.

Back – Back Open Shows 2019

Just a brief introduction to our two judges for our Back – Back Open Shows next year:

Ann Beckett-Bradshaw used to own afghan hounds during the 1970's and is the daughter of Jan Beckett who you will all know – Ann has owned Champion Whippets and awards CC's in that Breed – Ann is seen centre here in the photo.

Tania Ryall (below) has owned and shown afghan hounds since the 1990's and has campaigned two to their Champion titles, she first awarded CC's in the Breed during 2015.
