

Championship Show

Sunday, 23rd September 2018

at Wellsprings Leisure Centre, Cheddon Road, Taunton, Somerset TA2 7QP

Judges

Dogs **Anita Ledger-Doe** (Izmar) ~ Bitches **Mike Lancashire** (Drishaun)
Best in Show & Stakes Classes **David Evans** (Numa)

www.wahc.co.uk

PLEASE NOTE

As part of the JCF pilot scheme, today there will be a Student Judge in the bitch ring to observe the judging; during Yearling, Graduate, Post Graduate and Limit Classes. Once the placings have been made, the first two will be asked whether they have any objection to the Student Judge having the opportunity to go over the first two placed.

There is no obligation for exhibitors to agree.

All of this will be done in an unobtrusive manner and will not delay judging in any way.

PHOTOGRAPHY AND VIDEO RECORDING

The taking of photographs in the exhibition premises for sale or reward is strictly prohibited except with the written permission of the Organisers. The Organisers reserve the right at their absolute discretion to confiscate cameras and/or films for infringement of this condition. There is no objection to the general public taking photographs or video film of general views of the Show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded.

Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the Judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the Show if a permit has been issued by the Organisers. There are also certain restrictions on the use of cameras for still photography and private video films.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.
