  - c) For any reason other than the above, the Show Secretary shall transfer it to the Open Class for the correct colour, sex, weight or height.

9. The mating of bitches within the precincts of the Show is forbidden.
10. **Best Puppy in Show**  
Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it may, at the discretion of the judge, be awarded Best Puppy in Show respectively. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it may, at the discretion of the judge, be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively.
11. **Best in Show**  
Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and Reserve Best of Sex to the exhibit declared Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. The Committee can accept no responsibility for products advertised or sold by standholders at the Show and wish to remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.
21. No animal, other than an exhibit duly entered at the Show, will be allowed within the precincts of the Show during its continuance.
22. The Committee reserve the right to refuse any entry and to exclude any dog which in their opinion is not in a fit state for exhibition, owing to disease, vice, natural or other causes, and if such an exclusion takes place whether it be before or after the dog is judged, the entry fee will be forfeited.
23. In the event of a Judge be prevented from fulfilling his/her engagement, the Committee reserve the right to appoint another Judge in his/her place, subject to the terms of the Kennel Club Show Regulation 22 (1). Exhibitors are at liberty to withdraw from competition but no entry fee can be returned.
24. The Hon. Veterinary Surgeon or Hon. Secretary will be empowered to exclude any dog which in their opinion is not in a fit state for exhibition, either from disease, or any other reason, and if such exclusions take place, either before or after the dog is judged, entrance fees will be forfeited.
25. The Committee will not be responsible for the loss or damage to a dog or property, whether arising from accident or any other cause whatsoever, nor from any act or omission of themselves, their officers, servants or others, and it is on this understanding only that entries are accepted.
26. Exhibitors must provide drinking bowls and water for their dogs and are responsible for clearing up and removing loose hair or fouling from dogs in their charge. This also applies to litter, whether in the car park, exercise area or from any other part of the venue and its precincts. This is now a Kennel Club requirement and offenders may be reported for further disciplinary action. Please consider others and ensure that this venue is kept as clean and tidy as possible and every facility will be provided for cleaning up any dirt left by your dog or yourselves.
27. Well behaved children are welcome, but please note that parents and guardians will be held fully responsible for their actions, and any damage caused within the environs of the Show.
28. Should any question arise not provided for in these regulations, the decision of the Committee shall be final subject to appeal to the Kennel Club.

There is no objection to the general public taking photographs or video film of general views of the Show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded.

Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the Judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the Show if a permit has been issued by the Organisers. 7. The Committee reserves to itself the right to refuse entries.
8. Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
9. The mating of bitches within the precincts of the Show is forbidden.
10. **Best Puppy in Show**  
Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is

unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it may, at the discretion of the judge, be awarded Best Puppy in Show respectively. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it may, at the discretion of the judge, be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively.

11. **Best in Show** Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. The Committee can accept no responsibility for products advertised or sold by standholders at the Show and wish to remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.
21. No animal, other than an exhibit duly entered at the Show, will be allowed within the precincts of the Show during its continuance.
22. The Committee reserve the right to refuse any entry and to exclude any dog which in their opinion is not in a fit state for exhibition, owing to disease, vice, natural or other causes, and if such an exclusion takes place whether it be before or after the dog is judged, the entry fee will be forfeited.
23. In the event of a Judge be prevented from fulfilling his/her engagement, the Committee reserve the right to appoint another Judge in his/her place, subject to the terms of the Kennel Club Show Regulation 22 (1). Exhibitors are at liberty to withdraw from competition but no entry fee can be returned.
24. The Hon. Veterinary Surgeon or Hon. Secretary will be empowered to exclude any dog which in their opinion is not in a fit state for exhibition, either from disease, or any other reason, and if such exclusions take place, either before or after the dog is judged, entrance fees will be forfeited.
25. The Committee will not be responsible for the loss or damage to a dog or property, whether arising from accident or any other cause whatsoever, nor from any act or omission of themselves, their officers, servants or others, and it is on this understanding only that entries are accepted.
26. Exhibitors must provide drinking bowls and water for their dogs and are responsible for clearing up and removing loose hair or fouling from dogs in their charge. This also applies to litter, whether in the car park, exercise area or from any other part of the venue and its precincts. This is now a Kennel Club requirement and offenders may be reported for further disciplinary action. Please consider others and ensure that this venue is kept as clean and tidy as possible and every facility will be provided for cleaning up any dirt left by your dog or yourselves.
27. Well behaved children are welcome, but please note that parents and guardians will be held fully responsible for their actions, and any damage caused within the environs of the Show.
28. Should any question arise not provided for in these regulations, the decision of the Committee shall be final subject to appeal to the Kennel Club.

There is no objection to the general public taking photographs or video film of general views of the Show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded.

Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the Judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the Show if a permit has been issued by the Organisers. There are also certain restrictions on the use of cameras for still photography and private video films.

## **DOGS IN VEHICLES ON HOT DAYS**

# *Introducing your Judge*

## **James Kelly (Vansant)**

James grew up with Afghan Hounds in the 1970's Scotland looking after a kennel of between 10-15 including their foundation stock from Sacheverell, 2 Borzoi and some Collies. I remember every single one of those dogs including Shah Rustam of Sacheverell and watched the great dogs of those days from the side-lines.

Over the years since then I have kept up my interest in the breed and followed them even if I couldn't own one or be owned by one. I've followed the diversity of the gene pool increase from Scandinavia, Australia, USA and Russia.

Finally, I was able to show my own dog, a Weimaraner, in 1997 who became a Show Champion and now I have been privileged to awards CCs in my breed and judge Gundogs and Afghan Hounds at Open Show level which I thoroughly enjoy and am determined to support. I try to steward at every Afghan Hound show I am able and attend or do online seminars at every opportunity; we are always learning.

I was delighted to be able to attend the Southern seminar and since a place came available did the A3 assessment which I passed; I was absolutely delighted and grateful for the opportunity. I am passionate about the Afghan Hound the King of Dogs.

Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. The dogs declared Best in Show and Reserve Best in Show must not compete in any subsequent competition.
  - b. 13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. continuance.

23. The Committee reserve the right to refuse any entry and to exclude any dog which in their opinion is not in a fit state for exhibition, owing to disease, vice, natural or other causes, and if such an exclusion takes place whether it be before or after the dog is judged, the entry fee will be forfeited.
  24. In the event of a Judge be prevented from fulfilling his/her engagement, the Committee reserve the right to appoint another Judge in his/her place, subject to the terms of the Kennel Club Show Regulation 22 (1). Exhibitors are at liberty to withdraw from competition but no entry fee can be returned.
  25. The Hon. Veterinary Surgeon or Hon. Secretary will be empowered to exclude any dog which in their opinion is not in a fit state for exhibition, either from disease, or any other reason, and if such exclusions take place, either before or after the dog is judged, entrance fees will be forfeited.
  26. The Committee will not be responsible for the loss or damage to a dog or property, whether arising from accident or any other cause whatsoever, nor from any act or omission of themselves, their officers, servants or others, and it is on this understanding only that entries are accepted.
  27. Exhibitors must provide drinking bowls and water for their dogs and are responsible for clearing up and removing loose hair or fouling from dogs in their charge. This also applies to litter, whether in the car park, exercise area or from any other part of the venue and its precincts. This is now a Kennel Club requirement and offenders may be reported for further disciplinary action. Please consider others and ensure that this venue is kept as clean and tidy as possible and every facility will be provided for cleaning up any dirt left by your dog or yourselves.
  28. Well behaved children are welcome, but please note that parents and guardians will be held fully responsible for their actions, and any damage caused within the environs of the Show.
  29. Should any question arise not provided for in these regulations, the decision of the Committee shall be final subject to appeal to the Kennel Club.

## • DEFINITIONS OF CLASSES •

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e. **Monday, 30th April 2018.**

Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A First Prize does not include a Special Prize of whatever value.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:

  - b) For an exhibit entered incorrectly in a Minor Puppy Class, Puppy Class or Junior Class, which is over age but under twelve calendar months of age, eighteen calendar months of age or 24 calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling Class to the Open Class for the correct colour, sex, weight or height.
  - c) For any reason other than the above, the Show Secretary shall transfer it to the Open Class for the correct colour, sex, weight or height.
  - d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

7. The Committee reserves to itself the right to refuse entries.
8. Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
9. The mating of bitches within the precincts of the Show is forbidden.
10. **Best Puppy in Show**

Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar

months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show.

11. **Best in Show**

Best in Show must be selected from the exhibits declared Best of Sex but only if they have received a first prize in a class at the same show. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show. The dogs declared Best in Show and Reserve Best in Show must not compete in any subsequent competition.

12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.

13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.

14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.

15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

16. **Dogs in Vehicles on Hot Days.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

18. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

19. The Committee can accept no responsibility for products advertised or sold by standholders at the Show and wish to remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.

20. No animal, other than an exhibit duly entered at the Show, will be allowed within the precincts of the Show during its continuance.

21. The Committee reserve the right to refuse any entry and to exclude any dog which in their opinion is not in a fit state for exhibition, owing to disease, vice, natural or other causes, and if such an exclusion takes place whether it be before or after the dog is judged, the entry fee will be forfeited.

22. In the event of a Judge be prevented from fulfilling his/her engagement, the Committee reserve the right to appoint another Judge in his/her place, subject to the terms of the Kennel Club Show Regulation 22 (1). Exhibitors are at liberty to withdraw from competition but no entry fee can be returned.

23. The Hon. Veterinary Surgeon or Hon. Secretary will be empowered to exclude any dog which in their opinion is not in a fit state for exhibition, either from disease, or any other reason, and if such exclusions take place, either before or after the dog is judged, entrance fees will be forfeited.

24. The Committee will not be responsible for the loss or damage to a dog or property, whether arising from accident or any other cause whatsoever, nor from any act or omission of themselves, their officers, servants or others, and it is on this understanding only that entries are accepted.

25. Exhibitors must provide drinking bowls and water for their dogs and are responsible for clearing up and removing loose hair or fouling from dogs in their charge. This also applies to litter, whether in the car park, exercise area or from any other part of the venue and its precincts. This is now a Kennel Club requirement and offenders may be reported for further disciplinary action. Please consider others and ensure that this venue is kept as clean and tidy as possible and every facility will be provided for cleaning up any dirt left by your dog or yourselves.

26. Well behaved children are welcome, but please note that parents and guardians will be held fully responsible for their actions, and any damage caused within the environs of the Show.

27. Should any question arise not provided for in these regulations, the decision of the Committee shall be final subject to appeal to the Kennel Club.

## REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (Annex B)

  - a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
  - b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.
2.
  - a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the Show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the Show.
  - b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:
  - (a) Operations certified to the satisfaction of the Board.
  - (b) The removal of dew claws of any breed.
  - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the Board to deceive.
4. The Board without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

### PHOTOGRAPHY AND VIDEO RECORDING

The taking of photographs in the exhibition premises for sale or reward is strictly prohibited except with the written permission of the Organisers. The Organisers reserve the right at their absolute discretion to confiscate cameras and/or films for infringement of this condition. There is no objection to the general public taking photographs or video film of general views of the Show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded.

Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the Judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the Show if a permit has been issued by the Organisers. There are also certain restrictions on the use of cameras for still photography and private video films.

### DOGS IN VEHICLES ON HOT DAYS
